1.0. INTRODUCTION

The Center for Health, Human Rights and Development (CEHURD) is an indigenous, non-profit, research and advocacy organization pioneering the justiciability of the right to health in the East African Region. Started in 2007 and formally registered in 2009, CEHURD was founded to contribute towards ensuring that public health laws are used as principle tools for the promotion and protection of public health of the vulnerable populations in Uganda and in the East African region. CEHURD realizes this through four strategic objectives: promoting sustainable access to justice in health and human rights; positioning health and human rights as a strategy for sustainable development; Enhancing institutional and programmatic growth through knowledge management; Building community capacities on health and human rights and Strengthening CEHURD's institutional capacity, financial independence and operational efficiency to deliver on its mandate. These are achieved through (4) strategic programmes and institutional development priorities: Strategic Litigation (SL); Campaigns, Partnerships and Networks (CPN); Knowledge Management (KM); Community Empowerment Program (CEP) and; Institutional Development (ID). CEHURD concentrates its efforts on health and human rights of vulnerable populations such as women, children, orphans, sexual minorities, HIV/AIDS, persons with disabilities, refugee populations, and critical issues affecting the health systems in the region such as issues surrounding health, trade, medical ethics and social welfare.

The Procurement Team
Center for Health, Human Rights and Development (CEHURD)
Not later than Tuesday 27th July 2021

Pre-qualification is open to all suppliers and service providers who are eligible as per section 2.3 in this document. It should be noted that pre-qualification does not pre-ordain a contract. The process however requires that the invitation for pre-qualification is extended to only those with the necessary adequate capabilities and resources.
Suppliers who wish to be considered for CEHURD procurement contracts are expected to submit pre-qualification information as per the formats provided.

This document is divided into:
Part I: Introduction
Part II: Instructions to Applicants
Part III: Preparation of Applications
Part IV: Submission of Applications
Part V: Opening and Evaluation of Applications
Part VI: Pre-qualification List

Appendices:
I: Application Submission Sheet
II: Statement of Requirements
III. Evaluation criteria

PART I: INTRODUCTION

1.1 Scope of Application

1.1.1 CEHURD invites applications for the pre-qualification of suppliers of goods and services described in Appendix II.

1.1.2 Throughout this document:

(a) “Applicant” is used interchangeably with “Offeror” or “Bidder” and refers to any prospective supplier/vendor interested in supplying goods, services, to CEHURD through an offer; and

(b) “Application” is used interchangeably with “Offer” and both mean a bid or submission to be short-listed.

(c) “Pre-qualification list” is used interchangeably with “Shortlist”. Both refer to the list of applicants who have met the criteria for pre-qualification.
1.2 **Corrupt Practices**

1.2.1 It is CEHURD’s policy that CEHURD staff and the suppliers observe the highest standards of ethics during procurement and the execution of contracts. In pursuit of this policy:

(a) CEHURD defines, for the purposes of this provision, the terms set forth below as follows:

(i) “Corruption” means the offering, giving, receiving or soliciting, directly or indirectly of anything of value by a vendor and/or staff to influence the action of staff in the procurement process or contract execution; and

(ii) “Fraud” means false representation or concealment of a material fact by a vendor and/or staff for the purpose of inducing another to act upon it to his/her detriment or interest. Fraud refers to a deception deliberately practiced in order to secure unfair or unlawful gain while causing monetary or non-monetary loss. It involves intentional deception when an employee or other party makes false statements, conceals or omits material facts;

(iii) “Collusion” means a scheme or arrangement between two or more vendors and/or staff, with or without knowledge of CEHURD, designed to establish prices at artificial, non-competitive levels;

(iv) “Coercion” means harming or threatening to harm, directly or indirectly, persons or their property, to influence their participation in the procurement process, or affect the execution of a contract.

(v) “Kickback” refers to the payment of something of value to an individual with the goal of persuading or influencing his or her decision or performance in a certain situation or direction, for one’s monetary or non-monetary gain.

(vi) “Bribery” refers to the act or practice of offering, giving, or taking a bribe. It is the act of giving a benefit (e.g. money) in order to influence the judgment or conduct of a person in a position of influence in a particular activity. Accepting a bribe also constitutes a crime. It is the offering, giving, receiving, or soliciting of something of value for the purpose of influencing the action of an official in the discharge of his or her public or legal duties.

(b) CEHURD will reject a recommendation for award if it determines that the Bidder recommended for award has engaged in corrupt or fraudulent practices in competing for the Contract.

1.2.2 In pursuit of the above, CEHURD requires its staff and the suppliers to adhere to the relevant codes of ethical conduct. The Applicants are required to indicate their acceptance of this code through the declarations in the **Appendix I: Application Submission Sheet**.
CEHURD will evaluate and short list from all eligible applicants (suppliers) for the provision of various goods/supplies or services. Once a firm has been short listed, it will be eligible for periodic invitations to submit quotations (goods) or proposals (services) for the provision of some or all of the goods and services.

CEHURD reserves the right to select firms to submit quotations or proposals from the shortlist or to add similar types of goods or services to the list in Appendix II.
